

The Larry Fitzgerald First Down Fund Celebrates Ten Years at Fitz's Supper Club 2018!

Monday, August 27th at Dominick's Steakhouse

For well over twenty years, Larry Fitzgerald has attempted to make receptions to help his team gain 1st downs in an effort to move towards the opponent's end zone. Help them gain their next first down, as they move the chains of change for those less fortunate.

At Fitz's Supper Club 2018, First and Ten, Celebrities are at YOUR service. Larry Fitzgerald invites you to join him as we reminisce on the unforgettable plays off the field they have made as a team through the programs that the First Down Fund has supported over the last decade.

Fitz's Supper Club is one of the premier social, philanthropic and entertainment evenings on Arizona's event calendar.

Attendees can enjoy an array of Larry's post game favorites prepared by Chef Marc Lupino, game changing cocktails, spending time with old and new friends, all while bidding for a cause on dazzling items in the highly-anticipated silent and live auctions.

"This is huge milestone for the Larry Fitzgerald First Down Fund, and we are thrilled to once again be a part of such a great event that helps so many in need," said Jeff Mastro, Co-Owner of Dominick's Steakhouse.

For the last decade, the Larry Fitzgerald First Down Fund has been supporting kids and their families with significant donations of time, money and special resources through numerous associations across our country and beyond. The Larry Fitzgerald First Down Fund will continue this tradition of providing much needed assistance to many worthy causes through your support at Fitz's Supper Club 2018.
